

Azure Education

Microsoft Software Downloads

[Activate your Azure Account enabling your ability to download software](#)

- Activation of your Azure Account is an important step!
- Otherwise, you may not see all of the software downloads you are entitled to!
- Use your *UWinID@uwindsor.ca* as your identity.
- You might need to renew your entitlement each year.

The university subscribes to [Microsoft Azure Education Dev Tools for Teaching](#) providing access to a wide range of Microsoft development, productivity tools, and operating systems, such as:

- SQL Server
- Visual Studio Enterprise
- Machine Learning Server
- MS Project Professional
- SharePoint Server
- Windows 10
- Windows 11
- Windows Server
- Visio Professional
- and many others ...
